DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Patrick C. Keane, Registration No 32,858 on 09/01/2005.

The application has been amended as follows:

In the Claims:

6. (Currently Amended) A computer implemented method of partially encrypting an information file for delivery of content comprising:

dividing an information file into a first file and a second file, wherein the second file includes content from the information file to preclude reconstruction of the information file using only the first file, and wherein use limitations are included with the information file to prevent use of the second file to reconstruct the information file more than an authorized number of times; and

encrypting the second file, wherein dividing the information file comprises:

selecting parts from the information file via a user selected pattern.
